

RACK CARD (2-sided)

**NORTH COUNTRY EARTH
ACTION**

Climate Action: It's Time!

- Extreme weather
- Devastating fires & floods
- Melting glaciers
- Drowning island countries
- Drought-driven migrations
- Severe erosion and soil depletion
- Deforestation of our great forests
- Toxic air pollution
- Water degradation
- Loss of birds, insects, and wildlife - 6th mass extinction
- Acidification of our oceans
- Disappearing coral reefs
- Endangered coastal cities
- Local Tick infestation
- Drastic CO2 & methane levels

**Take Action
NOW!**

- ✓ Recognize the urgency.
